

Advins Inc. History

Based in Deerfield, IL, Advins was incorporated by Art Seymour to hold the patents for Elenco Electronics Inc. In 2017 Advins and Elenco separated and Advins now holds the patents for E-Blox Inc. a single family owned company. E-Blox has over 90+ years of combined experience as entrepreneurs, inventors and designers in the educational, toy, and wireless industries.

Advins and E-Blox are leading the way to a whole new generation of educational products! Children of all ages can learn the building blocks of a STREAM² educationScience, Technology, Reading/Writing, Engineering, the Arts, Mathematics, and Music through the joy of play and discovery.

Our mission is to provide products that are fun, stimulate everyone's imagination and creativity and teach skills to succeed in the 21st century and beyond.
